SR-18 UPDATE **BIG BEAR DAM TO BOULDER BAY**

Big Bear Lake - Caltrans advises motorists that due to current weather conditions, State Route 18 from Big Bear Dam to Boulder Bay in will be open until Monday, March 27th. The route will be then closed for final contamination cleanup Monday, March 27th through Wednesday, March 29th from 7:00 a.m. to 5:00 p.m. Re-paving is expected to begin in early April 2006. During the paving the route may be closed intermittently or under flagging conditions with one lane open in each direction.

This section of SR-18 has been under repair due to a fuel spill, which occurred last month. Updates on the work and closure status will be provided when available.

Caltrans would like to thank motorists for their patience during the emergency repairs and remind drivers to **SLOW FOR THE CONE ZONE**.
